## Your Blissfull Experience Awaits!

At Blissfull, we powerfully fuse entertainment and wellness to create impactful and memorable multi-sensory experiences.

Through our innovative and thoughtfully curated programming, we enhance creativity and connection, increase productivity and confidence and help foster healthy and authentic communication.

Our transformative experiences are a great way to show appreciation to clients and employees, as well as build a positive company culture that encourages mutual respect, shared goals and empathy.

The bottom line:  
*Your well-being matters...*

And investing in the well-being of your people means investing in your business.

**Enhanced Food & Beverage Options**

## Blissfull is powered by the collective expertise of Hala Bissada and Luciana Santaguida.

Together, they bring a wealth of experience in event production, entertainment and wellness to create holistic immersive experiences. They are revolutionizing the event and wellness industries by offering unique events that engage the senses and the soul.

MEET OUR VISIONARIES

## Ethos

We are committed to making the planet a more Blissfull place.

We care deeply and are very mindful of the impact we have on our planet, humanity and future generations. With that in mind, we are intentional with how we design our experiences to the smallest detail. Every aspect of our experiences has been carefully thought through; from selecting a venue, designing our menus and mindful spaces, décor & design and selection of materials.
